## NATIONAL LOCKDOWN – COVID-19

To our most valued clients,

Due to the current status of lockdown, we as your Clearing Agent will be there to assist you throughout this period.

However, we have had no other alternative but to operate remotely and of course the easiest way to contact anybody would be by means of email thereafter we will only be available on our cellphones. We kindly request that should you need to speak to us, that you phone these numbers or send us an email.

If you receive no satisfactory service from these cellphone numbers and email addresses on the specific person, you can re-direct your request to email – [info@clearfreight.co.za](mailto:info@clearfreight.co.za) where you can be assured our directorate will pick up from and handle your request.
